

Faculty Development Program on “CO-PO mapping and Attainment Level”

ASM’s Institute of Professional Studies organised an FDP on “CO-PO mapping and Attainment Level”, on 20th October, 2022. FDPs are conducted to enrich the faculties with updated information best suited for their profiles. Two Guest speakers, Dr. Kajal Maheshwari and Dr. Anuradha Phadnis, were invited to give insights about the Outcome Based Education and Mapping of Course outcome with Program Outcome.

They educated the faculty about the importance of Outcome based learning and how the students performance should be evaluated by following Comprehensive Concurrent Evaluation (CCE) for each Course of MBA Program. Focus on Higher Order Skill Set than on Lower order skill set. Practical aspect like preparing reports based on RUBRICS was also a part of FDP. Various Evaluation techniques were also taught in the session. Informative power point presentation showed by Dr. Kajal and practical session conducted by Dr. Anuradha. Program was very effective and useful for all the faculty.
