

Strategies adopted by the Institution for faculty empowerment and professional development.

1. ASM group of Institute organizes an international conference 'INCON' every year and registration and participation charges are completely waved off for all staff members of ASM group of Institute, for accounting purpose staff members are asked to pay the registration and participation fees, the same will be reimburse by the ASM's IPS.
2. Institute had provided financial assistance to faculty for participation in national / International conference / FDP etc.
3. The Institute provides leave for participation / attending seminar/workshop /conference organized by parent institute and other institutes.
4. Institute invites resource people such as industrialists, researchers, and academicians for interactions with the faculty.
5. The Institute encourages the expert faculty to motivate the newly joined faculty by giving essential inputs, technical support and project guidance.
6. The institute deputs the faculty for training organized by other organizations.
