Sub:- Warning letter
Ref:- Feedback analysis on Teacher Performance

Dear madam

This is to inform you that after analysis of feedback from the students we came to notice the following fact.

Point No: 2 "Completion of syllabus" of Digital Business (sem I) score 2.73/5 (Avg. score out of 5)
It has been observed that out of a total of 45 planned lectures you have conducted only 27 and completed 50% of the total syllabus. Hence, we have deputed visiting faculty for completion of the remaining syllabus.

Point No: 9 "Understanding of students" score is 2.42 (Avg. score out of 5)

Your performance with respect to the above 2 points was found unsatisfactory. We therefore warn that it should not happen in the next coming semester. So please ensure that.

1. You should ask question to the students whether they understood the concepts properly or not.
2. You should make sure that as per the teaching plan and timetable you must complete syllabus.
3. You must motivate and encourage students to ask questions in the class.

Thank you.
