- 2 To aware students about the Vaccination of Cervical Cancer.
- 3 To understand about the age group of Vaccination.

**Speaker:** - Dr. Jignesh, Jivika health care centre.

**Report: Detail Report**

ASM-IPS & CSIT College organized the Cervical Cancer Awareness Program by Jivika health care center. The founder & CEO of Jivika Healthcare center Dr. Jignesh explained the Information about the cancer, especially Cervical Cancer.

The session was very enlightening for our Girls students. Chief guests elaborated about the Vaccination of cervical cancer. They explained about the age groups of forvaccination which was 9 to 14 years of girls can take vaccines which is in two doses. They informed to students about price of vaccination locations where vaccinations areavailable. Total 93 girl’s students were participated in this program. Some studentsshared their relatives experience about the cervical cancer. Jivika Healthcare Centre was ready to organize the camp for vaccination if college fulfills number of desired students who are interested in vaccination. For this programme all committees work together & made the programme wonderful success.

At the end of the programme doubt clearing session was held. Programme coordinator of Jivika Healthcare interacted with the students and interrogated with them. Students were motivated by Cadburys if they answered the question correctly.
